LICENSE #26NP 05880000	:	OF LICENSE
	:	
TO PRACTICE NURSING IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's request for reinstatement of her nursing license, which had been suspended by a Final Order of Discipline entered on April 29, 2014. The basis for the suspension was respondent's failure to document completion of continuing education requirements for the 2011-2013 licensing cycle as set forth in N.J.A.C. 13:37-5.3. A reprimand for misrepresentation as to completion of continuing

education requirements on her 2013 renewal application was also imposed, as well as a civil penalty of \$250 for the violation of N.J.A.C. 13:37-5.3.

Respondent has paid the \$250 civil penalty and has provided documentation of thirty contact hours of valid nursing continuing education to be attributed to the 2011-2013 licensing cycle, all of which were completed on July 18, 2014. Respondent explained that her failure to timely complete the continuing education was due to certain personal hardships.

Respondent having provided the Board with appropriate documentation of required continuing education, and thus having complied with the conditions for reinstatement imposed by the April 29, 2014 Final Order of Discipline, and having provided payment of the \$250.00 civil penalty imposed, and for other good cause shown;

IT IS on this 5th day of August, 2014

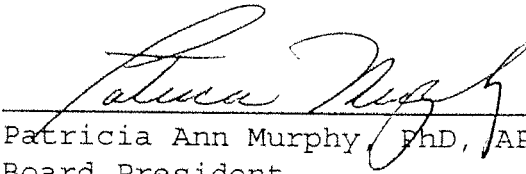

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of her license to practice nursing in New Jersey is hereby granted.
2. The continuing education completed as of July 18, 2014 to comply with the April 29, 2014 order shall not be used

towards meeting continuing education requirements pursuant to
N.J.A.C. 13:37-5.3 for the 2013-2015 licensing cycle.
